
SOLIV
DESIGNING SPACES. DEFINING LIVING.

ABOUT SOLIV

We Don’t Design Interiors. We Design the Way Life Feels Inside Them.

At **SOLIV**, we believe a home should never feel like it came from a catalogue.
It should carry the personality, rhythm and story of the people who live there.

> That is why we begin with **you,** not with a design.

> For us, luxury isn’t about filling a home with expensive things.
> Luxury is when everything feels considered, personal and **effortlessly yours.**

> Every **SOLIV** home is created with its own identity.

OUR PROCESS

A JOURNEY, CRAFTED AROUND YOU.

At SOLIV, we follow a clear and transparent process to deliver spaces that are personal, timeless and uniquely yours.

01 SITE MEASUREMENT

For detailed and accurate quotation, we charge ₹5,000 for site measurements.

Site measurement fee is not refundable.

02 DESIGN PHASE

To start the design phase, a booking amount of ₹35,000 needs to be paid. This amount is not refundable.

Every design meeting will be a virtual meeting for colour selection. Our designer will visit your home with colour catalogues.

03 DESIGN CONFIRMATION (DC)

Once the designs are finalized, we will share the Design Confirmation (DC). Client to sign and approve for production.

At this stage, 50% of the project value will be collected.

04 SITE MEETING (SOP)

We will have a site meeting to start the project and confirm the design.

This will be the final step verification SOP (Start of Project).

05 PRODUCTION STARTS

Modular production will start from this day and will take 20 days for completion.

Custom work will start simultaneously at site.

06 50% COMPLETION STAGE

50%

At 50% completion of the project (production completed stage), 40% payment will be collected.

07 90% COMPLETION STAGE

90%

Remaining 10% will be collected when 90% of the project is completed.

08 WARRANTY HANDOVER

Warranty documentation will be handed over to the client.

09 TOTAL TIMELINE

Total timeline will be 45 days from the SOP if there is no restriction from the builder on site access. Otherwise, 2 months are required.
